Re: creation of one post of a Sanitary Inspector on Rs 40+10 for work under Secy Foodgrains Storage Committee, Bangalore

Letter no C1-3925/44-5 dated the 22nd March 1945, from the Director of Food Supplies, requesting Sanction for the creation of the post of a Sanitary Inspector on a pay of Rs. 40/- plus 10/- attached to and Co-existent with the establishment of the Secretary Foodgrains Storage and Preservation Committee, Bangalore.

1) This stated that since September 1944, systematic cyanogassing of rat holes in and around the several godowns in Bangalore city has been taken up and that for this purpose, the services of a trained Assistant Sanitary Inspector of the Public Health Department (Bureau of Epidemiology) who is getting a pay of Rs. 25/- pm. have been obtained for the Food Supplies dept. (under the Secretary, Foodgrains Storage and Preservation Committee, Bangalore). This official, it is represented, is not getting any duty or Conveyance allowances for his duties in the Food Dept. which are stated (by the Official) to be arduous.

2) The D.F.S. requests Sanction for the creation of one post of a Sanitary Inspector on a pay of Rs. 40/- plus 10/- per mensem (Corresponding to that

(a II Grade Revenue Inspector)
attached to and co-existent with
the establishment of the Secretary,
Foodgrains Storage and Preservation
Committee, Bangalore, against which
post, the Assistant Sanitary Inspector
(from the Bureau of Epidemiology
- Health Department) now reported
may be absorbed. He further
suggests that the Technical Control
of this officials work may rest
with the Superintendent Bureau
of Epidemiology. So that he may
have the benefit of the Deputation
and Conveyance allowances from
the date of his joining the Food Dept.
The above proposals are for orders.

3) The following establishment
under the Secy, Foodgrains Storage
Committee, has been sanctioned till
the end of June 1945:- (Vide Govt.
No. Ft D 4617-21/A87-44) Dated the
6th Feby 1945):—

1	Steno-typist Cum clerk	Rs 40/-
4	Fieldmen	25/-
2	Attenders	12/-
1	Cycle orderly	12/-

3

Sanction of the post of a Sanitary Inspector on Rs 40+10 under the Secretary, Foodgrains Storage Committee, Bangalore

4) A separate proposal from the D.H.S. Re: the appointment of additional executive establishment under the Secy, Foodgrains Storage Committee, consisting of 1 Special Shirastadar on Rs 80 + 20 C.A. per mensem and 2 more gangs of 4 men each on Rs 18/- p.m. etc, — is under examination in another file.

5) It will be seen from the Copy of the D.H.S's reference (Flag-G) adverted to above, that the Special Shirastadar is meant for assisting the Secretary, Foodgrains Storage Committee, Bangalore, in his executive duties.

6) The points for orders now are whether to continue the services of the Assistant Sanitary Inspector of the Public Health Deptt on the existing basis in the Food Supplies Deptt by paying him some suitable allowance

OR to create the post of a Sanitary Inspector on a pay of Rs 40/- plus 10/- p.m. (Corresponding to that of a II Grade Revenue Inspector) for the establishment of the Secretary, Foodgrains Storage Committee against which the Assistant Sanitary Inspector from the Health Deptt might be absorbed and to allow the Superintendent, Bureau of Epidemiology, to exercise technical control over his official's work.

7) The Superintendent, Bureau of Epidemiology

Retransmitted with compliments:-

(b) with reference to No.6, I should like to say that it is very desirable to have a Sanitary Inspector instead of an Assistant Sanitary Inspector for the place. There is no post of Sanitary Inspector carrying a pay of Rs.40/- and I, therefore, suggest that the grade pay of a Sanitary Inspector of this Department may be given along with an allowance of rupees ten during the time he works in that Department. The grade pay of a Sanitary Inspector in this Department is Rs. 35-2-55-4-87.

for Director of Sanitary
Director of Public Health.

Office of the Director of Food Supplies
in Mysore, Bangalore, 22nd March 1945

No. C.1. 3925/44-5

To

The Secretary to Government,
Development Department (Food Supplies)
Bangalore.

Sir,

Sub: Food grains preservation - post of a sanitary inspector - sanction of -

I have the honour to state that in accordance with the recommendation of the Foodgrains Storage and Preservation Committee, regular and systematic cyanogassing of rat-holes in and around the godowns in Bangalore City has been taken up as a routine measure since September 1944 under the supervision of the Secretary, Foodgrains Storage and Preservation Committee. The services of a trained Assistant Sanitary Inspector have been lent for this purpose from the Public Health Department. This official, now borne on the Establishment of the Superintendent, Bureau of Epidemiology, Department of Public Health is getting a pay of Rs. 25/- and is in receipt of no duty or conveyance allowance for his duties in this Department.

2. The official represents that in view of the arduous duties he has to perform in having to visit all the godowns in the City regularly once a fortnight according to a programme of work drawn up by the Secretary, Foodgrains Storage and Preservation Committee, he may be granted a suitable conveyance allowance. In view of the importance of regular cyanogassing work to keep down the rat-infestation in godowns the full-term services of a trained Sanitary Inspector are essential. As the officia is now borne on the Establishment of the Public Health Department, he is not entitled to any extra emoluments fo his work in this Department.

P.T.O.

3. I request therefore that orders of Government may be kindly obtained for the creation of the post of a Sanitary Inspector carrying a pay of Rs. 40/- plus 10 (corresponding to that of a II grade Revenue Inspector) attached to and co-existent with the establishment of the Secretary, Foodgrains Preservation Committee sanctioned in G.O. No. SD. 4617-21/A. 87-44-7, dated 6/7-2-1945, against which the Assistant Sanitary Inspector from the Bureau of Epidemiology may be absorbed, the technical control of his work being under the Superintendent, Bureau of Epidemiology, so that he may have the benefit of the deputation and conveyance allowances from the date of his deputation to this Department.

I have the honour to be,
S i r,
Your most obedient servant,

M. A. Pallegar

for DIRECTOR OF FOOD SUPPLIES.
(Received from Head Quarters)

Dy no 4337

2

Letter no.B2-J.3579/44-45 dated 25/26-1-1945 from the Director of Food Supplies in Mysore, Bangalore to the Secretary to Government, Development Department(Supplies), Bangalore.

I have the honour to state that the pest control work in godowns in Bangalore City has been growing both in volume and in importance. At present, there are under the Secretary Foodgrains preservation Committee, two gangs of 4 men each under a maistry. One of these gangs has been put on the work of cyanogassing under the supervision of an Assistant Sanitary Inspector lent from the Public Health Department while the other is employed on the work of cleaning and fumigation of grains. The secretary, Foodgrains Preservation Committee represents that in practice this staff of 8 men is found utterly inadequate for efficient sanitation work in all the godowns, and wants the number of gangs under him to be augmented to 4 which he considers as the minimum necessary for this work in Bangalore City.

2. These gangmen are now being paid a salary of Rs.15/- p.m. in addition to the usual dearness allowance. In view of the arduous nature of duties demanded of them and the present dearth for labour on account of the varied military activities coupled with the high cost of living, it is found that these men have not been sticking on their jobs for long

3. Further the Secretary, Foodgrains Preservation Committee who is a technical officer having to supervise, in the absence of any assistance, routine sanitation and pest control operations has been finding it increasingly difficult to devote sufficient attention and time to the experimental side of the problem entrusted to him the committee.

4. This subject had also come up for discussion at the meeting of the local Officers of the Food Department held in my office on 5-1-1945 and in order to improve and develop sanitation work the importance of which need hardly be emphasised and to make the conditions of service for gangmen more attractive and also to relieve the Secretary of the routine duties of supervision of sanitation and pest control work, so as to permit greater attention being bestowed on

p.t.o.

on more technical matters, it was decided that the staff of the Secretary be augmented by one special sheristedar for executive work to assist in routine duties and 8 more gangmen, the pay of the gangmen also being raised from Rs.15/- to Rs.18/- besides the usual dearness allowance (extract of the resolution copied in the margin)*

5. In the circumstances, I have the honour to request that the sanction of Government may kindly be conveyed to the appointment of a special sheristedar on a pay of Rs.80/- plus D.A. of Rs.20/- p.m. and to entertain 2 more gangs of four men each, raising the present pay of the gangmen also from Rs.15/- to Rs.18/- p.m. besides the usual dearness allowance.

6. The four fieldmen on Rs.25/- sanctioned for work under the Secretary, Foodgrains Preservation Committee, are not in receipt of any conveyance allowance. As these fieldmen have to visit in the course of their duties all the godowns in Bangalore City I also recommend payment of a conveyance allowance of Rs.5/- per mensem to each of the fieldmen.

---

*Extract of resolution.

(6) The Secretary, Foodgrains Preservation Committee is requested to send a proposal for increasing the pay of the menials from Rs.15/- to Rs.18/- a month and for augmenting the staff by a special sheristedar for executive work and 8 more peons. A C.A. of Rs.5/- may be recommended to fieldmen.
